

# **Pussycat Concierge**

**PussyCat Concierge is a concierge service that will be working with Conventions, Tradeshows, and Special Events to enhance and ensure a more enjoyable and pleasurable experience for those groups when they visit your city for business purposes. Our Concierge Services will work directly with these organizations to promote your business interest, upon their arrival to your city.**

**Whether your business is a small Mom And Pops operation or a large Corporate Entity, if you choose to advertise with our concierge service, we will work vigorously, and diligently to support and promote your business operations to the fullest extent possible.**

**By advertising with our Concierge service, your business will be a part of our Promotional City Tours, which we will sponsor daily for all major Conventions, TradeShows and Special Events. If you should choose to advertise with our company, your business or goods and services will receive a Favorable Endorsement or Thumbs Up from PusstCat Concierge, which would increase more foot traffic towards your business establishment.**

**During these shows, this would also increase knowledge and awareness of your goods and services for future events by attendee referring your business, giving your business even more exposure with future event attendees.**

**PussyCat Concierge Objectives:**

**\*Promote, Market, and Advertise your Goods and Services directly to attendees while PCC works the events.**

**\*Promotional City Tours-promote your location,goods and services**

**\*Direct and Drive traffic towards your business interest**

**\*And ultimately ensure an increase in your business sales and profits during the events.**

**PussyCat Concierge advertising and promotional rates will vary from Small Mom and Pops operations to Larger Corporate Establishments, however each entity will both receive the same amount of vigorous solicitation of their goods and services to event attendees.**
